Preventing Online Grooming: Keeping Your Family Safe Online

Free training for parents and carers

This two hour training session will assist parents and carers to keep their children safe online from grooming and radicalisation.

If you have groups of parents in your school who would like this training, please contact the Community Safety Team for more information, and to arrange a date and time for the session:

This session supports the Prevent duty in schools.

What will we cover?

- How young people are groomed online
- How do we keep our young people safe online?
- How do we monitor the websites they are looking at?
- How do parents apply security measures onto young people's devices to keep them safe?
- How can we prevent those we care about from being groomed online?
- Who can I contact for help?
